Dear Nibley Citizens:

**From the Mayor**

I again say thank you to Scott Larsen and Shaun Dustin who have served for the past eight and four years, respectively, on the City Council. They have dedicated much of their time and talents in making Nibley a wonderful place to live. Our newly elected City Council members Carrie Cook, Larry Jacobsen, and Shawn Platt, will be sworn in on January 5th at 5:45 p.m. Please come and honor them in this ceremony.

I appointed two new members to the Nibley City Planning Commission; Kathryn Beus and Mark Lawver. Kathryn will replace Marina Heidt who has served Nibley City as a commissioner for the past five years. Mark will finish out the remaining two years of Carrie Cook's term. Kathryn and Mark are capable, intelligent, and thoughtful people dedicated to the betterment of our great city. They will be sworn in on January 11, 2012. Come wish them well. I appreciate the committed service to the community that Marina and Carrie have given while serving on the Planning Commission.

I am always looking for volunteers to serve on the various Nibley City committees. This spring I will appoint several members to a new beautification committee. If you are willing to help in this capacity, please call or email me. There are many volunteers throughout our community that do not need an appointment to a committee and I compliment them for their service. Lowell Johnson is coordinating the construction of a neighborhood park on the southeast side of town and Greg and Andrea Stokes are coordinating a beautification project at the entrance to their subdivision on the northwest side of town. If you have interest in helping with these or other projects or ideas, please contact me. This type of citizen effort makes a community a vibrant place to live.

This past month, the City Council passed a very important and innovative transportation plan that emphasizes developing means of complete movement of people through the community. The plan provides for connectivity between subdivision using trails, sidewalks, and roads. The plan also encourages the beautification of roads. The Tree Board completed the necessary application to obtain the 'Tree City USA' designation. There are many beautification movements at work in the city. My 2012 goals detail these and more. I will present them to the City Council the first week in January. If you have ideas for Nibley City, please let me know.

**Mayor Gerald Knight**

**RECENT CITY COUNCIL ACTIONS:** Approved an ordinance detailing the care of trees on public rights-of-way ● Approved an updated Master Transportation Plan for the city ● Established a policy for making minutes and other information available to the public before and after council meetings.

## UTILITY BILL PAYMENT REMINDER

Utility bills are sent out each month the first business day following the 20th, and are due the following month on the 20th. *Late fees are incurred on any payment received after the 20th. If the 20th falls on a weekend or holiday, fees will still be incurred on the first business day following.*

**Options to make a payment:** 1) bring your utility bill into the City Office, 2) mail your payment to 455 W. 3200 S., 3) leave your payment in the Utility Drop Box located on the southeast corner of the parking lot, 4) make your payment on the city website (secure) at [www.nibleycity.com](http://www.nibleycity.com), or 5) pay with bill pay through your individual bank.

**PLEASE NOTE:** Your bank will take your payment out of your account on one day, mail it to a "clearing house" who then sends the checks out in bunches every few days. All payments made through the bank are paper checks and are sent through the U.S. Postal Service. We do not have delivery on weekends or holidays for your security. Out of fairness to all residents, we are not able to credit late fees on your account if payment is not received on time. Thank you for your understanding and assistance in this matter!

## HYRUM LIBRARY

"Let It Snow" will be the theme for the January storytime. Storytime is for all 3-5 year olds. Call or come to the Hyrum Library beginning January 3rd to sign up. Also, U.S.U. holds their monthly storytime each second Saturday of the month at 1:30 p.m. Everyone is invited to attend for stories and crafts.

Don't miss the excellent display of cross-stitch now at the Library, courtesy of Lynn Coulam. See several beautiful examples of this difficult handwork that requires hours and hours to complete.

**The Hyrum Library will be closed January 3rd and January 16th.**

Put February 10th and 11th on your calendars, the Library's annual "Bake and Book Sale."

One of their newest librarians, Katie Johnson, received a new kidney transplant in December. A quilt will be

raffled off to help her with medical expenses. Lots of goodies will be available to buy as well as books, videos, cassettes, and various other items. Call the Library for further information at 245-6411.

The Library is open Mondays from 10:00 a.m. to 7:00 p.m., Tuesday thru Fridays from 12:00 to 7:00 p.m., and Saturdays from 10:00 a.m. to 3:00 p.m.

Please let the Library know if they can still use your Ridley's Home Town Advantage Points. Each new year, they must submit the list of those willing to donate their points to the Library. This is a great way for the Library to earn some extra funds. Thanks for all who have participated in this program.

Bricks are still available to be purchased to complete the second donor wall. Contact the Library if you are interested in buying a brick.

## HYRUM SENIOR CENTER

The Center could not have had such a great year without you. Thank you to all of you who donated time and money, baked items, quilted, made crafts, and helped in any way. The Center is thankful for the many new faces who came in and supported them. The craft fair was a huge success and the Center thanks the public for their generous support. Thanks also to the Board of Directors and their spouses: Sharon Long, Del Nielsen, Sherma Petersen, Marilyn Nye, and Ramona Lemon. A special thanks to Cindy Lauritzen for the great meals, ideas, and all she does for the Center.

ALL seniors are invited to come in and join the fun. They have quilts available to work on daily. Pool players are also welcome (the Center may host a tournament this year).

**Weekly Schedule:** Lunches are offered at noon each day. In addition, on Mondays, the Center holds "Fit Over 60" at 10:00 a.m. After lunch, bridge or pinochle games start at 12:30 p.m. On Tuesdays, visitors can enjoy Chair Yoga at 10:30 a.m. with games starting at 12:30 p.m. after lunch.
