

The Nibley City News

Nibley, Utah—June 2012

From the Mayor

Dear Nibley Residents,

Recently, our Planning and Zoning Commissioners reviewed, and forwarded to the City Council for approval, the Nibley City Legacy Tree Program. This program gives residents the opportunity to provide a living tribute to a friend or family member. Residents may purchase a tree for \$200 that will be planted on city property and dedicated to an individual. A plaque will be placed at the location of the tree with the honoree's name. I believe this is another way to beautify our city, pay tribute to a loved one, and create more ownership of the city for each of our residents. I compliment the Nibley City Tree Board for their vision in recommending this wonderful program. More information on this program is available at City Hall. All applications require city approval.

The City Council will be working on the city budget during the month of June. We are required by state law to approve a budget by June 22 each year. We will hold the required public hearing for the budget on **June 7**. Our city finances are in great shape. Our contingency funds are in better shape than they have been for years, giving us additional one-time money to shore up beautification projects in the city. Come join the City Council as we debate the use of your money.

Heritage Days is our annual city celebration. It will be held June 18 to 23 this year. The city council has allocated \$13,000 for this celebration. The enclosed flyer for Heritage Days details the many activities for you, family, and friends. Come celebrate Nibley's 77-year anniversary. A new feature of Heritage Days is the Mayor's First Annual Art Show & Contest. I hope to showcase the wonderful artists that live and work in Cache Valley, many of whom reside in Nibley City. I also want to encourage budding artists to show off their work. The Art Show will be held at City Hall from **June 20 to 23**. An entry form for the show and contest is available at City Hall or online at www.nibleycity.com. See the back page of this newsletter for more information. As I have mentioned before, if you are in need of a subject, the New City Hall is an excellent one. Jill Harmon is the Art Show Chair. Come beautify your mind with yours and others' talents.

TREE CITY USA®

From the Nibley City Tree Board

On April 17, 2012 Nibley City was awarded "Tree City USA" status at a ceremony held at Weber State University. It is our goal to earn the award annually. Additionally, we are striving to achieve the Tree City USA "Growth Award" in 2013. One way citizens can help with this endeavor is to report the number of trees they are planting on their own property this year. Your numbers can then be added to the planting projects that we are doing along 3200 South and within most of the parks throughout the city. Please call the city offices at **752-0431** to report your tree planting.

Information will soon be available on our Legacy Tree program, Heritage Tree Program, and Adopt-a-Tree program.
