Nibley, Utah—October 2017

Thoughts From Mayor Dustin

by Mayor Dustin

Dear Nibley,

In the interest of a free and fair election and equal opportunity for each of the candidates running for office, the Mayor has asked to be excused from writing his monthly column.

Be sure to vote on Tuesday, November 7. Polls are open from 7:00 a.m. to 8:00 p.m. at Nibley City Hall.

Thank You,
Nibley City Newsletter Editor

Recreation Roundup

Flu Shot Clinic

Nibley City is hosting a Flue Shot Clinic on Tuesday, October 3 from 4:30–6:00 p.m.

Reed's Pharmacy will be on hand to administer the vaccinations. Getting an annual vaccination is the single most effective way to protect against the flu. Please bring your health insurance prescription coverage card with you.

Nibley Scarecrow Fun Run

On October 7, join the fun at the Nibley City Scarecrow Family Fun Run at Heritage Park at 8:30 a.m. Bring the whole family. There is something for everyone at this event and most events are FREE. Run options include a 100 Yard Dash (4 & under), 1/4 mile (8 & under), 1/2 mile (12 & under), the Extra Mile Walk/Run (2 miles for any age), and a 10K.

The 10K main event is an experience like no other where at a point or two along the route you

will run through scarecrows that may jump out and chase you. This will improve your finish time with a boost of adrenaline. Creative categories with fun prizes will be posted at www.facebook.com/nibley. 10K runners receive a tech T-shirt, professional timing from Runner Card's signature finish line results, a well-marked course, and fabulous prizes for top finishers. Register for the 10K now for just \$25. Or, you can register from 7:00–7:25 a.m. on race day for \$30 during check in time. Online registration is now open and you can find more event information at nibleycity.com.

Halloween BOOnanza

Nibley City's BOOnanza will be Thursday, October 26 from 6:00–8:00 p.m. at the Heritage Elementary School gym (**New Location**). This Family fun night includes several classic activities, the ever popular Jedi Training, and a few new Harry Potter activities.

Meet the Candidates

Meet the candidates running for elected office on Friday, October 13. Visit with them, bring your questions & hear them voice their thoughts and vision for Nibley City before casting your vote. You can also submit your questions in advance to cheryl@nibleycity.com. Your questions will remain anonymous. The Nibley City Youth Council sponsors this event and provides delicious home-baked refreshments.

Don't forget Nibley City's General Election on Tuesday, November 7.

Winter Parking

Nibley's winter parking regulations begin on November 1. Vehicles are required to be off the streets between the hours of 12:00 a.m. and 6:00 a.m. until April 1, 2018.

Winter parking regulations help keep our streets clear when snow removal is necessary. However, the ordinance applies whether or not there is snow on the ground.

Please keep your cars off the road to ensure plows can get through. Thank you for your help in keeping Nibley's roads drivable and safe.

Meet the Candidates for Nibley City Mayor*

Shaun Dustin—You know me. For four years, I've had the privilege of serving you as your mayor. For four years before that, I served you as a City Councilman. You have seen my work, my values, and my passion for making this City the place that we want our kids to grow up in, and that we want to grow old in. I told you when we started this that I was running to make life better in Nibley, and I love that together, we've been able to do that. We've seen Nibley go from the place you bought if you couldn't afford to live on the bench, to be the destination community for Cache Valley. We've seen a City that is developing around the concepts of open space and free range kids. I've made your government one of the most transparent in Utah, if not the country. I've made the budget easy to read, ended the dumb lawsuits, and negotiated with Logan from a position of strength to eliminate unfair wastewater charges and straighten out our boundaries. You know me. When you vote for Mayor Dustin, you make a bet on yourself and Nibley's future. If you like what we've done for your home, your family, and your community, you are going to love the next four years. Thanks for your vote.

Trudy Elise Knight—I am running for Mayor of Nibley City. I have an open mind and a desire to serve the people of Nibley. After becoming an empty nester a year ago, I determined to become more involved in sharing my time, efforts and talents in making this community I call home a better place to live. I have been actively involved with Nibley City in various volunteer capacities since moving here over 19 years ago.

I believe that community engagement is at the heart of a healthy and vibrant city. I would like to revitalize volunteer efforts to bring people together in serving one another as we make our community better. I love planning for the future. I want to create an ideal city that your and my children and grand children will be proud to call home. I believe clear ordinances eliminate confusion and uncertainty in protecting the uniqueness of each neighborhood. I am excited to help improve the character and beauty of Nibley by improving our ordinances to protect our quality of life. Tax payer's money should be heavily monitored and scrutinized. I want to take a close look at expenditures and see if there are places where we can be more efficient in providing essential services to our residents and businesses.

I love this little jewel of the valley called Nibley where I live. I appreciate the wonderful people who surround me. I want to listen, understand, and implement your suggestion. Let's do this together. I would appreciate your vote on November 7, 2017.

Wait . . . there's more. See page 4 for information on Candidates for City Council.

Dave Ramsey's
Financial Peace
UNIVERSITY

It's no fun living paycheck to paycheck. Enjoy your money without owing it to someone else. Dump your debt and live debt free. This class will teach you the tips to be proactive, build an emergency fund, and invest with confidence. Dave Ramsey's *Financial Peace University* is being offered at Nibley City Hall. This class will be every **Wednesday night starting October 18** and going through **December 13 at 7:00 p.m.** The \$93 charge for this class covers all 9 lessons, a small group atmosphere, workbook, audio CDs, Dave Ramsey's Complete Guide to Money, video access, and online budgeting tools for you and a partner. Reminders from Nibley City Staff

Hunting

Hunting or harassing wildlife is forbidden on all City property. Ordinance 13-04 prohibits hunting on property owned by Nibley City and states "Hunting, as defined in §23-13-2, Utah Code Annotated, which shall include hunting with firearms or with bows, each as defined by the laws of the State of Utah, is from the effective date of this ordinance prohibited on properties owned by Nibley City." It is also forbidden to discharge a firearm within 600 feet of a residence within Nibley City limits.

Winterize Your Irrigation System

Now is the time to winterize your sprinkling system. Even if you have drained the water out of your irrigation system, some water remains and can freeze, expand, and crack PVC piping. Have your sprinkler pipes blown out to minimize the risk of damage done by freezing and avoid costly leaks and repairs in the Spring.

Streetlights in Nibley City

If a streetlight in your neighborhood is not functioning correctly, you may contact Rocky Mountain Power directly at 888-221-7070 or go to www.rockymountainpower.net. Click on the "Safety & Outages" link, then scroll down to "Streetlights" and provide the required information. Nibley City still pays for the streetlight whether or not it is working, so please assist us in keeping Nibley safe and appropriately lit.

Fire Prevention Week

From Rick Williams, Nibley Emergency Manger

In a fire, seconds count. Seconds can mean the difference between residents of our community escaping safely from a fire or having their lives end in tragedy.

That's why this year's Fire Prevention Week theme: *"Every Second Counts: Plan 2 Ways Out!"* is so important. It reinforces why everyone needs to have an escape plan.

As a proud supporter of the National Fire Protection Association's Fire Prevention Week initiative, Nibley City encourages residents to consider the following fire safety tips:

- Sit down with all members of your household and draw a fire escape plan of your home, marking two exits from each room and a path to the outside from each exit.
- Practice your home fire drill twice a year. Conduct one at night and one during the day with everyone in your home, and practice using different ways out.
- Teach children how to escape on their own in case you can't help them.
- Make sure the number of your home is clearly marked and easy for the fire department to find.
- Close doors behind you as you leave – this may slow the spread of smoke, heat, and fire.
- Once you get outside, stay outside. Never go back inside a burning building.
- Test your smoke alarms monthly, change battery yearly, and replace alarms every 10 years
- Have at least one smoke alarm on every level, outside each sleeping area, and in every bedroom.

The Hyrum Museum

Join the Hyrum Museum for one of their favorite Back in Time activities, *Trick-Or-Treat* on October 24–26 from 1:00–1:30 p.m. each day. Be sure to come in costume and enjoy a spooky adventure in the museum. Due to high participation, sign-up is required this month. Call 245-0208 or email museum@hyrumcity.com to sign up.

The museum will be closed October 10–14 and on Tuesday, October 31.

Elite Hall Restoration Committee

Come enjoy a night of great live music and experience the historic spring-loaded dance floor at the Elite Hall on Saturday, October 28. The dance starts at 8:00 p.m. with dance instruction at 7:00 p.m. Visit www.usu.edu/swing/elitehalldance for more information.

Meet the Candidates for Nibley Council*

Kathryn A. Beus—It has been an honor to serve as your Nibley City Councilmember for the past 4 years. I enjoy getting to know people and their families through soccer, school activities, Nibley Heritage Days and the play, church functions, and other community events. Through these exchanges I have sought feedback and concerns from residents in our city and I work to give platform to those concerns on the Council. Nibley has been my home nearly my entire life. After graduating from USU, my husband and I decided to stay to raise our family here. Looking to the future, I strive to focus on what Nibley will be like for my 3 daughters, and all of our children, as we work to keep Nibley safe, beautiful, and a wonderful place to live. It has been my objective to make sure we conduct the public's business in the public eye and promote transparency in all of our dealings. As a Council, we are also the caretakers of our tax dollars, and I have worked hard to educate myself on the budget process and take part in the oversight and allocation of our resources to ensure responsible budgeting practices and sustainable projects. I take this role and the responsibility very seriously and am conscientious to do the homework necessary to make informed decisions that will have positive impacts on our families. I hope to be reelected to continue serving Nibley for another term.

Allen V. Cook—Five years ago, I moved my wife and 4 boys to Nibley. I have spent the last 16 years in Utah, 10 in Cache Valley. I want to serve Nibley and keep it a great place to live. I love Nibley, and I love the atmosphere we have here. I want to keep it a friendly place for families to grow and to retire. Parks and open spaces should be accessible and functional, and have connecting walking trails. I want every Nibley citizen to express their needs and problems to me. I would be available to them. I am not afraid to do the right thing or to stand up for my constituents if their needs aren't being met. I've attended many city council meetings. I know what the issues are and am familiar with the cities ordinances and know the budget. We need to make only ordinances that are enforceable, necessary, and that prevent future issues. I believe as a councilman my job would be to keep things running smoothly and to look towards the future to how our actions are going to affect Nibley. Developments need to be planned according to the master plan. Open spaces need a clear and enforced maintenance plan. We as a city in the past have allowed developers needs to

be put ahead of citizen's needs, instead of uniformly enforcing agreements. We can't fold when challenges occur with developers. Vote for me if you want someone that represents citizens and not special interests.

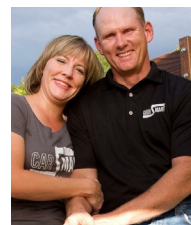

Garrett Mansell—I want to share with you a little about me. I grew up in Sandy Utah and loved playing in all the open space we had around our home. When I was 15 I wanted to earn money so I could save up to buy a truck so I got a job working on a dairy farm and I learned the true value of hard work, and saved money and bought that truck. It taught me important lessons about hard work, preparing for the future and having a goal in mind. That taught me a lot.

I also grew up playing baseball. I broke my arm pitching when I was 12, prior to that, I was either pitching or catching or shortstop. After that experience, I played solely catcher for 2 reasons. 1 nobody else wanted to do it. 2. I was not afraid of the ball. Fortunately, I excelled at it and played on All-Star teams as a catcher.

Much like baseball I have found that running for office is very similar to being the catcher, most people do not want to do it for whatever reason. I am not afraid to make difficult decisions and we will have those coming up in our city. Like catching, I am ready to help the city, which is the team we all play for do its best.

I ask for your vote this November because I am ready to play for this team and help it succeed.

Norman L. Larsen—I grew up on a farm in Salem Idaho where I learned the value of hard work. I attended a skills competition at Ricks College and won a scholarship in their Automotive Small Business Management Program. While attending Ricks College I met my wife Charlotte and we decided to finish her schooling at Utah State in their music Program. Loving Cache Valley, we bought a home and have lived in Nibley for the past 19 years. We love the community and feel it is a great place to raise our 5 children. This is why I've decided to run for City Council.

I started CarSmart Automotive Repair in 2000 and have added several locations to serve the valley. Working for the public, I know how tight some budgets can be and that you need to make it go as far as possible. This is why I am against raising property tax or sales tax. The money should be budgeted or cut instead of raising taxes.

If you agree with me and my values for Nibley City, please give me your support and vote.

*Candidates were listed according to the master ballot position list found in Utah Code Section 20A-6-305.
