

Lightning Rule:

In the event that lightning is seen and or thunder heard the Umpire and Coaches will stop the game and clock to check the (FREE) Weather Bug Phone App to determine the proximity of lightning. (Use the Menu top left corner to select the lighting feature). If lightning is detected within 6 miles or less, players and spectators will be asked to take cover in vehicles. The Umpire will confirm that the score-books are up to date and match, the game will resume after 20 min if there is no lightning within 6 miles of the ballpark. Bylaws regarding inclement weather apply to lightning.
