

2023 Nibley City Recreation Baseball/Softball/T-ball Info:

Nibley City and the surrounding cities that play ball with us look forward to playing this spring. The actual schedule and start dates are subject to a number of factors including the # of participants/teams, field availability, rain outs, umpire availability, guidance from Bear River Health Department, and more. Some leagues are scheduled by a coordinator from another city and some of the leagues for the older players will have an end of season tournament. Based on how everything plays out we hope to have game schedules available at the beginning of May.
