

NIBLEY CITY COMMUNITY COVENANT

supporting those who serve

“To be successful as a military, we need four things: a Soldier, that Soldier’s Family, the Soldier’s employer, and a supportive community.” - Lt. Gen. Jack Stultz

We, the Community, Recognize...

- The commitment service members and their families make on our behalf every day.
- That the strength of our service members comes from the strength of their families.
- That the strength of the service members families comes from the support of employers, educators, civic and business leaders and its citizens.

We, the Community, are Committed to...

- Building partnerships that support the strength, resilience, and readiness of soldiers and their families within our communities.
- Support military families through programs and volunteer efforts to mitigate the impact of military life.
- Remember and honor all service members who have served and sacrificed on our behalf.
